

## **VBC Update to the COVID-19 26/06/2020**

Greetings to all,

***Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. (Psalms 100:4)***

We are indeed thankful to hear that as of the 1/7/2020 the COVID-19 restrictions under the NSW government will allow a greater number of worshippers on the church property. At the same time being mindful of the request for social distancing, good hygiene practices, a record of attendees and the current 4 sq. meter per person rule (ie 42 in the older building).

Regarding the new building, Stuart is in advanced communication with our local Council as we work on the requirements to secure an interim occupation certificate for all the new building. Therefore, currently the old building is the only building we can use on the property.

I believe it is time to gather at the church property in a greater way besides our Wednesday meeting. Being limited to the old building, we are scheduling three services on a Sunday so that all may attend at least one and watch the other(s) online. This will start on the 5/7/2020.

### **Three separate services on Sunday in order to spread out our attendance.**

- 1.** 9:30am - 10:45am Service on site by request & live streaming
- 2.** 11am -12.15 pm. Service on site by request & live streaming (repeat of previous message)
- 3.** 6pm -7.15pm Service on site by request & live streaming. (different message from morning)

Please let me know via email [vbchurch@gmail.com](mailto:vbchurch@gmail.com) or my mobile 0430 158 413 of your desire to attend a specific service. This will mean that we avoid saying to someone we are full. A txt would identify the Service you would like to attend by number 1 or 2 or 3 & the Surname of family & the Number wanting to come. I will seek to confirm your request or suggest an alternative service. An example of me would be: - Service Number 2 Surname OLIVER Number attending 1

I would encourage you & your family to join us at a service. Hopefully & Prayerfully it will not be long before both levels of the new building are available. Then we will resume the normal two Sunday services: 10am (with Sunday School) & the 6pm Evening service. I appreciate your understanding as we work through the current situation.
