

VBC Update to the COVID-19 10/07/2020

Greetings to all,

Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. (Psalms 100:4)

We are thankful that the NSW government will allow a greater number of worshippers on the church property. At the same time being mindful of the request for social distancing, good hygiene practices, a record of attendees and the current 4 sq. meter per person rule from the 1/7/20 (ie now 50 in the older building based on floor plan). Calculated according to the following guide:- <https://lawandreligionaustralia.blog/2020/06/30/churches-and-covid-19-in-nsw-pho-no-4-released/>

Regarding the new building, Stuart is in advanced communication with our local Council as we work on the requirements to secure an interim occupation certificate for all the new building. Therefore, currently the old building is the only building we can use on the property.

There will be three separate services on Sunday to spread out our attendance. Please select a Sunday service and request a place at the church by making a booking through this link. <https://www.tickettailor.com/events/victorybaptistchurch/>

Service times: -

1. 9:30am - 10:45am Service on site by request & live streaming

I would encourage you & your family to join us at a service. Hopefully & Prayerfully it will not be long before both levels of the new building are available.
